**SUBJECT** : **OFW PASS App**

**DATE** : **07 September 2023**

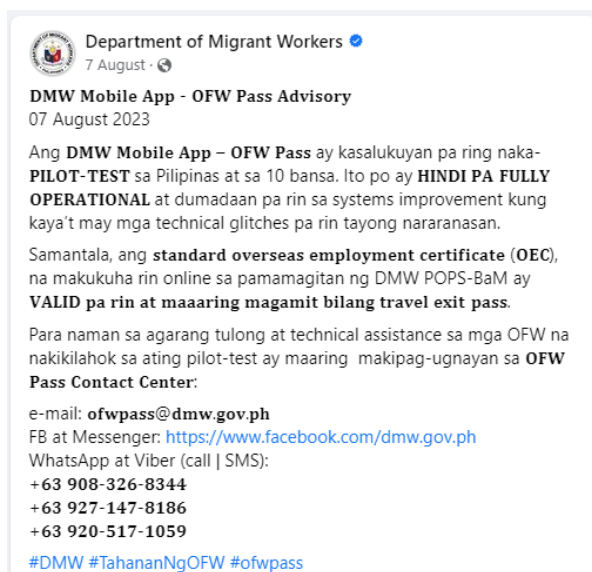

The Department of Migrant Workers (DMW) has launched a mobile application (app) named **OFW Pass** that is currently on test run in selected countries. The app is an online platform that enables OFWs to quickly access the services of the DMW. It has the following features:

1. It replaces the Overseas Employment Certificate (OEC) with an online version;
2. Each OFW Pass account is a repository of the OFW's vital information, such as passport details, personal details, and employment contracts; and
3. It includes a directory of the hotlines of all Philippine Embassies, Philippine Consulates General and Migrant Workers Offices (MWOs) worldwide.

The app, already available for download at Google Play Store and App Store, is **not yet fully operational in Africa and is still undergoing technical changes and improvements**. Thus, OFWs are kindly requested to monitor developments.

**DMW Mobile App - OFW Pass Advisory**  
07 August 2023

Ang **DMW Mobile App - OFW Pass** ay kasalukuyan pa ring naka-**PILOT-TEST** sa Pilipinas at sa 10 bansa. Ito po ay **HINDI PA FULLY OPERATIONAL** at dumadaan pa rin sa systems improvement kung kaya't may mga technical glitches pa rin tayong nararanasan.

Samantala, ang **standard overseas employment certificate (OEC)**, na makukuha rin online sa pamamagitan ng DMW POPS-BaM ay **VALID** pa rin at maaaring magamit bilang travel exit pass.

Para naman sa agarang tulong at technical assistance sa mga OFW na nakikilahok sa ating pilot-test ay maaring makipag-ugnayan sa **OFW Pass Contact Center**:
